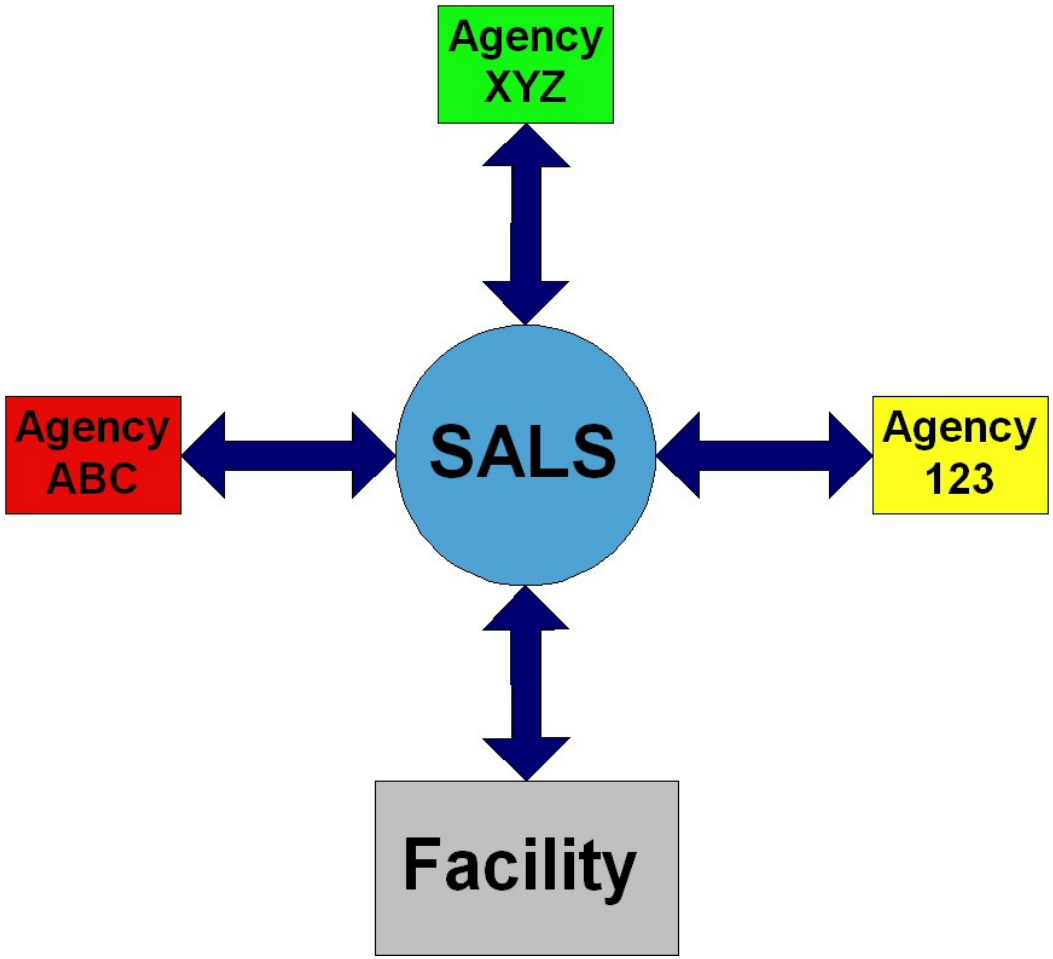
Staffing Agency Liaison System (SALS)

What is SALS?

SALS is a service for healthcare facilities that screens and manages contracted staffing agencies and their employees. SALS simplifies and unifies staffing processes by serving as the single point of contact for most staffing matters.

Information Flow with SALS



General Overview of SALS

- **Accessibility**
  - Accessible by authorized users from most computers with internet connection
- **Security**
  - Authorized users can only access data relevant to their position
  - Data protected with HIPAA-compliant 128-bit encryption
- **Integration**
  - System designed with integration in mind, making data sharing possible with other software applications

SALS Cost-Saving Tools

For most facilities,

the entire staffing process

can be managed with

SALS

SALS Training

SALS is designed to be intuitive and user-friendly.

We offer on-site SALS training.

SALS Tech Support

Our web-based tools are easy to use and made to simplify your staffing process. However, if you ever have a question, we have technical support personnel on call...

Procurement Management

- SALS serves as a gatekeeper by screening potential agencies
- Eliminates the need for multiple sales demonstrations
- Gathers data on potential vendors and presents for easy side by side evaluation
- Screens agencies annually or year-round depending on your needs

Integrated Tools

Search for qualified employees and post new jobs with ALL agencies

Simultaneously.

Certification Compliance Tracking

- Print/Review Agency Staff Profiles
- View Documenation of:
  - Licensure & Certifications
  - Competency Tests
  - Annual In-Services

Easy Scheduling with SALS

- Input or review agency employee schedules
- Review or print schedules by employee, department, or facility
- Identify scheduling trends of agency or employee

SALS Time Card Features

- Online time cards for agency employees
- Digitally “signed” verifications
- View hours worked in real-time
- Time-Clock PC Stations available or utilize existing hardware

OmniMatrix

Agency/Employee Evaluations

- Submit/Track evaluations on all agencies and their staff
- Review Employee’s evaluation history with your facility
- Identify trends within evaluation data

Custom Reports with SALS

- Review/Print reports on agency usage by agency, facility, department, and more
- Validate invoices from time slips
